About Us

15 years of shaping careers and lives

We are one of the honored and existed executive search consultancies, with a global mindset of more than just a recruitment professional. Over the past 15 years, we have built a greater capabilities that focus on quality and agility. Our goal is to be the successful partner to our clients to help them shape their success and glories. Our services blend entrepreneurship with solid business experience, and are able to recognize the opportunities and challenges you face. Our partnership is unique, created over many years by bringing together top talents carried with the required capabilities. Our strength lies in our collective expertise and track record, rooted in local responsibility and spanning a global network of talents.

Moatasim Alzabidi
Founder & Consultant

Welcome Message

"We never treated our clients as a source of business, we wanted to be a partner of their success stories and glories within today's economy expansion", this are our beliefs and values that drive us to seek such partner as you to help you succeed.

We would like to welcome you at all the time not just for the sake of our business. We welcome you to have a talk, take cup of tea, or visit you at the time you want to get along together and to talk business if you wish.

We are different from all other companies or businesses, we feel your needs and we bring our sweat to you to ensure that we both make it to moon together.

Vision & **Mission**

Vision

Becoming among the top 10 independent consultants in Saudi Arabia by 2030

Mission

We bring the best talents and capabilities to our clients locally or globally

Values

Providing our services fast, clear, concise, and precise

Milestone

2021

Established [Executive Search](#) services officially to make an ambitious presence within the Saudi market while considering a slow movement in the first year.

During the first year “exploring phase”, we took the opportunity to serve few clients in hiring multiple candidate for variety of roles within a different industry by achieving a 100% success rate in hiring.

2022

At year starts, we minimized the industry focus that we serve along with the intension to concentrate on high stands roles with managerial levels.

Additionally, we changed our philosophy to be an [Executive Search](#) agent with the capabilities to seek local and global talents that according to the clients requirements starting from C-Level all the way to Managers levels.

2023

We decided to expand our business to all related services that helps the clients choosing the right talents by using the right methodologies and tools.

Going forward all the way to 2030, we will keep changing to reach and becoming the most unique independent [Executive Search](#) agent in Saudi Arabia who brings the most expertise within the recruitment industries.

How We Work

1

We **carefully** listen to our clients requirements and expectations in details to enable us to find the right candidates and tools needed for the searching and hiring process

2

We **carefully** search among our database, or using our connections, headhunt a specific target personnel to bring their interest to the job opening and client profile

3

We **carefully** list the candidates with their profiles including a detailed report of their skills, competencies, experiences financially and career wise, and all relevant details
